

LAKESHORE NONPROFIT ALLIANCE
Fundraisers and Major Events Calendar
August 9, 2022

*The purpose of the Fundraisers and Major Events Calendar is to keep our members aware of **fundraisers and major annual events**, along with **relevant professional development opportunities**. With the use of the Fundraisers and Major Events Calendar, LNA hopes to avoid multiple nonprofits events being held on the same day.*

This calendar will be updated and published monthly with the newsletter. If you are a member nonprofit and would like to add an event to the calendar, please [Click Here](#) and send us your information. Please do not submit events that are not fundraisers or large public events, as we can no longer track them.
