

LAKESHORE NONPROFIT ALLIANCE
Fundraisers and Major Events Calendar
Nov 1, 2022

The purpose of the Fundraisers and Major Events Calendar is to keep our members aware of fundraisers and major annual events, along with relevant professional development opportunities. With the use of the Fundraisers and Major Events Calendar, LNA hopes to avoid multiple nonprofits events being held on the same day.

*This calendar will be updated and published monthly with the newsletter. If you are a member nonprofit and would like to add an event to the calendar, please [Click Here](#) and send us your information. **Please do not submit events that are not fundraisers or large public events, as we can no longer track them.***
